

Davis School for Independent Study Poem
William Albrecht

“William Albrecht”
Mean, kind, boring, fun
Son of my parents
I like the colors grey, green, & red
I love hardly anything & only sometimes
My favorite foods are burritos, steak, & pizza
I give a damn & I care
I find happiness in writing, music & drawing
I need friends, talent, & food and water
I would like to see success, happiness, & peace
I enjoy writing, music, & drawing
My favorite activities are writing, music, & video games
I like to wear shirts, pants. & underpants
Resident of an unhealthy mind
